### First Friday Happenings - May 5th

May's First Friday is going to be so yummy!! Jessicakes Saratoga will be offering tastings of her mini confections and will also have boxes of treats available for purchase. Additionally, we will be featuring the artwork of the Ballston Spa Middle School.

### **We love Bennington Candles, and we think you will too..**

If you like candles, you will LOVE Bennington Candles. Created locally in southern Vermont, these aromatherapy candles are made from soy wax and scented with essential oils. Right now we are loving the "Air" candle which smells like spring...lily of the valley, lavender and lilac.
